THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley
Estate grown and hand-harvested. Elevations range from 720 - 750 feet.

THE HARVEST

Aged in all French oak barrels for 18 months. 38% new oak, 48% 2nd used oak and 14% 3rd used oak. The Pinot Noir we sourced from our friends at Davis Vineyards is Pommard clone.

THE VINTAGE

Our estate experienced a cool and wet spring which resulted in a late bud break followed by an average bloom and veraison. This was followed by Oregon's 8th warmest year on record which lead to an extremely bountiful harvest.

"I really enjoy how the two vineyard sites came together in this wine. You can taste the elegance of the Pommard - the texture of this wine is melt-in-your-mouth. I am really proud of this wine, and have already squirreled away a few cases at my house."

- Leo Gabica, Winemaker
