THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley
Estate grown and hand-harvested. Elevations range from 720 - 750 feet.

THE HARVEST

As the fruit came in from our vineyard, we carefully hand sorted and then pressed whole cluster. Our 2020 Estate Pinot Gris was then fermented in stainless steel tanks at a low temperature.

THE VINTAGE

Our estate experienced a beautiful growing season, and had a perfectly timed wind in early September. The airflow from the wind allowed for a safe harvest in our vineyard.

THE WINE

“Our 2020 Estate Pinot Gris has complex layers of baked pear that tango with orange peel and whispers of sea salt spray. It has dimension and captures our cool climate estate. I would enjoy this Pinot Gris in any season.”
