THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley
Estate grown and hand-harvested. Elevations range from 720 - 750 feet. Southeast Facing.

THE HARVEST

As the fruit came in from our vineyard, we carefully hand sorted and then pressed whole cluster. Our 2021 Estate Pinot Gris was then fermented in stainless steel tanks at a low temperature.

THE VINTAGE

Our estate experienced a late frost that lessened our yields, but the growing season, overall, produced excellent fruit. The growing season was dry with various heat spikes.

THE WINE

“I enjoy the aromatics, acidity and fruit-forward characteristics achieved in our 2021 Estate Pinot Gris. I wanted this wine to taste like you were standing with me surrounded by our vineyard. A slight minerality in the finish will mimic the refreshing breeze that often brings relief in the warm summer months.”
