THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley
Estate grown and hand-harvested. Elevations range from 720 - 750 feet.

THE HARVEST

Aged 13 months in French oak barrels - 47% new oak, 24% second-use and 29% third-use. A blend of three blocks : 777 clone 'Boss Man' Pinot Noir, 115 clone 'Kody' Pinot Noir and Mariafeld Clone 23 'Grandpa' Pinot Noir.

THE VINTAGE

We experienced a late snow in April, but the remainder of the growing season was warm and dry. The result of this vintage is lower in yield, but produced a flavor profile that will be memorable for years to come.

"I dedicate this wine to those who never look back from chasing their dreams. The Willamette Valley, and our winery, were put on the map by those who were not afraid to be different. They relied on their neighbors, and had the grit and determination to achieve their vision of growing and producing world-class Pinot Noir."
