

EUGENE, OR

2021 RED FUSION

willamette valley

PLUM and COCOA
with a hint of BLACK CURRANT

THE VINEYARD

Sourced from our partner vineyards in both the Willamette Valley and Southern Oregon. All of our partner vineyards share our passion for the land and the vines.

THE HARVEST

Lot fermented separately, aged in barrels for 10 months using mostly neutral oak, then blended prior to bottling.

THE VINTAGE

The 2021 growing season started out relatively cool and dry. May experienced an early season heat, followed by waves of cool then higher than average heat waves. The summer remained warm and allowed growers to have control over the harvest.

THE WINE

52% Pinot Noir, 20% Syrah, 28% Tempranillo
Willamette, Applegate, Umpqua Valley AVA
Sweet Cheeks, J. Bacci, Two Horse Limit & Foon Vineyards

“The 2021 harvest was an ideal growing year. You will find this blend has a little more grit, in a good way. I really enjoy blending our Pinot Noir with the flavor profile of a Syrah. This is the first vintage of Red Fusion that Tempranillo has outnumbered our Syrah. I really loved how the tannin structure balanced with the flavor profiles. Enjoy this wine with your favorite dishes – it is always a staple at my dinner table.”
