THE HARVEST

Cold soaked for four days prior to primary fermentation. Barrel aged for 18 months in French oak: 43% new oak and 57% 3rd use. Full malolactic fermentation was achieved.

THE VINTAGE

The 2021 harvest started out on the cool side, but stayed dry. We experienced a roller coaster of cool and heat waves in May and June. The remainder of the growing season was warmer than average, allowing us to harvest in mid-September.

"I have been looking forward to the release of our 2021 Pinot Noirs, this vintage is one to savor. We've been working with Davis Vineyards for five years, and I really enjoy the flavor profiles. The extended barrel aging lends to a beautiful texture and flavor profile. I hope you enjoy this as much as I do."
