# 2021 SAUVIGNON BLANC

rogue & umpqua valley

GUAVA & WHITE PEACH *with a hint of GRAPEFRUIT*

## THE VINEYARD

Sourced from our longtime partners and friends at Quail Run Vineyards in the Rogue Valley AVA and Parker Vineyards in the Umpqua Valley AVA in Southern Oregon.

## THE HARVEST

Lot fermented in two different vessels, all stainless steel using different yeast strains for complexity before blending.

## THE VINTAGE

Oregon experienced various heat spikes throughout the growing season. It was an early spring and summer, this roller coaster of heat spikes created exceptionally ripe and rich colored berries with intense flavors and incredible acidity.

“The Sauvignon Blanc is almost always the first fruit in for harvest. Our energy is almost unbridled as the truck pulls up with the bins holding our Sauvignon Blanc. Enjoy a nose of tropical fruit, a lingering acidity with touches of grapefruit.”
