CITRUS & PEACH *with a hint of* SEA SALT

THE VINEYARD

Dry farmed and practicing organic | South Willamette Valley
Estate grown and hand-harvested. Elevations range from 720 - 750 feet. Southeast Facing. 100% from our Winery Block of Pinot Gris.

THE HARVEST

Hand harvested from our winery block of Pinot Gris, this fruit receives slightly less sun exposure, allowing for retention of acidity and vibrant citrus notes. The fruit was hand sorted, gently pressed, and fermented in stainless steel tanks at a low temperature.

THE VINTAGE

Our estate experienced a late frost that lessened our yields, but the growing season, overall, produced excellent fruit. The growing season was dry and extended well past September, allowing the fruit to develop beautifully.

“The 2022 vintage, although low in yield, created stunning fruit both in flavor profiles and textures. When you see a 2022 vintage from the Willamette Valley, be sure to stock up. The Pinot Gris varietal has been overlooked recently, and I believe this will be the vintage that puts it back on the map. Cheers!”
