2023 SAUVIGNON BLANC

rogue & umpqua valley

PINEAPPLE & BLOOD ORANGE
with a hint of GOOSEBERRY

THE VINEYARD

Sourced from our longtime partners and friends at Quail Run Vineyards in the Rogue Valley AVA. The vineyard site is 1850 feet in elevation with Manita loam soil. We also sourced from Parker Vineyard in the Umpqua Valley AVA.

THE HARVEST

Pressed whole cluster and fermented in stainless steel tanks at a low temperature for 4 months to preserve the aromatics and complexity of the flavor profile.

THE VINTAGE

The 2023 vintage was off to a delayed start with bud break nearly three weeks late. However, a warm and dry summer allowed for beautiful ripening and yields.

“We have two stunning vineyard sites that I work with for our Sauvignon Blanc. Quail Run Vineyards is high elevation which provides almost a New Zealand zip to the grape. Parker Vineyards allows the beautiful fruit-forward component to come through. I find blending both of these vineyards allows for layers of complexity and vibrant acidity that lingers.”
